THANKS

Last September your Selectmen had the honor and pleasure to welcome to our town Dr. and Mrs. Gerard Bozuwa and their small daughter. When the plan was formulated to hold a reception at our town hall little did we expect such a fine response from our townspeople, friends from the surrounding areas, and our very fine "summer folks." A gift of money for the Dr. and his family, and a large attendance was most gratifying.

We feel we owe special thanks to Dr. and Mrs. Howard P. Sawyer, Mr. and Mrs. Carleton Spencer, Mr. Alden Young, and Mr. and Mrs. Chester Horne of the C. M. Mixer office, for their efforts making it possible for us to obtain this very capable and much needed Doctor. Again Thanks to all!

$124 was raised for Reference Books at a Card Party held in the Town Hall on May 12. This party was sponsored by the Trustees. Mrs. Laura Swinerton was in charge of refreshments.

Special Gifts to the Library: Bulletin Board given by Mr. Norman Hainsworth; Collection of Rocks by Mr. Bart Kelly; $10 by the Lions Club to be used for Reference Books. Other contributions for the Permanent Collection were made by Susan Kelly, Peter J. Murray, Keith Miliner.

Charles B. Gafney Trust

From the time Gafney Library was opened in 1926, until Gafney Library Incorporated was chartered in 1958, the administration of the library was under the supervision of the three lifetime trustees under the will of the late Charles B. Gafney. While this trust continues, it will henceforth be concerned only with the administration of the funds of the Gafney estate for the benefit of the library. The trustees of Gafney estate are Edwin P. Geauque, Alden N. Young and Mary B. Sawyer.

REPORT OF THE WAKEFIELD PUBLIC LIBRARY

Total Circulation for the year, 2086 of which 1096 were non-fiction. 40 new books were accessioned. Over 80 books were borrowed each visit from the Bookmobile,—which is of great help to our library. 8 magazines and 1 newspaper are available. Newsweek, U. S. News and World Report, and the Saturday Evening Post are given by one of the patrons.

Extensive work was done this year in weeding out the crowded fiction area. This was done with the expert assistance of Mr. Gardner Soule from the State Library Extension Division. The State Library has been helpful in mailing so many books in specialized fields.

We are grateful for gifts of books from the following: Dr. Louise Paul, Mrs. Reuben Lang, Miss Ivy Cranshaw, Mrs. Willis Tibbetts, Mr. and Mrs. Carleton Spencer, Mr. and Mrs. Edward Elliott, Mr. Bradley McCausland, Mrs. Archie Stewart, Mr. Norris Cate, Mr. and Mrs. Herbert Jenkins, and Ernest Calvert.

As librarian, I am most grateful to Mrs. Marietta Haskell, for the many hours she spent helping me with the files during the work on the fiction books.

UNION FREE LIBRARY REPORT FOR 1958

Nettie Forsythe, Librarian

The library is open each Wednesday afternoon from 2:30 to 4:30.

At present we have 68 registered readers.

The circulation for the year has been 2,484 books altogether—2,243 fiction, and 241 non-fiction.

At present we have 3,363 adult volumes in the library and 184 volumes of children's books.

During the year we bought 19 adult books, and 21 children's books, a total of forty books bought during the year. Several of these books which we bought, are on the Church Reading List. Each year there are about 400 books read on this list which come from this library.

This year we bought a new Encyclopedia, "The Volume Library" which has been used often by the children to help in their school work.

At the library there are five monthly magazines and one weekly newspaper for circulation.

Children from both High School and Grammar School come to the library for books to read and also for information to help them in their school work.

There is a large group of pre-school children coming to the library too.

The bookmobile comes about five or six times during the year and each time leaves about a hundred books. These are very good books and have helped the library out a lot.

REPORT OF THE COMMITTEE
ON TAX STUDY

The Tax Study Committee hereby submits the following report and recommendations:

In an as much as the basic theory of real estate taxation is to spread the burden of the support of town government among all the people of the town; and in-so-far as the services and improvements are enjoyed by one and all, it is apparent that taxes could be more equalized within the township so that everyone would pay his share and not be over-taxed nor under-taxed. In order to solve this problem it is imperative that some formula be developed that would attain this end. The formula should be a simple one, yet fair in all possible respects. It should be such that it is easily understood by the taxpayer and assessor alike. It should be one that is not punitive in nature. It should incorporate therein

inducements to industry to settle here. It should take cognizance of the fact that the goods and services purchased by the vacation trade is already a growing industry. In short, it should give one and all equal, honest treatment in shouldering the cost of ever rising tax expenditures.

It is recommended therefore that any new business employing ten or more employees which acquires buildings by purchase lease or construction, in which these people are steadily employed, shall be granted by the Board of Selectmen, an abatement of real estate taxes for a period of five years, or until there are less than ten employees carried on the payrolls of said firm, at which time the abatement shall be cancelled.

It is further recommended that the life of the Tax Study Committee be extended one year in order to evolve the formula for tax assessing. It is believed that this course is advisable in view of the fact that a formula has been partially formed, but due to the complexities encountered, more time is needed for final formulation.

TAX STUDY COMMITTEE

FOREST FIRE WARDEN'S REPORT

Dear Mr. & Mrs. & Family:

Once again our region is covered with snow and the forest fire hazard has disappeared, but to your local forest fire warden it is just a time to check over his equipment and check the causes of the fires he has had. We know that our biggest cause of forest fires are careless people burning rubbish, brush or debris without a permit or in an unsafe place. When this fire gets away from them and help is needed to put it out they then plead that they did not know a permit was required for the incinerator or this type of burning. Well, the old saying, ignorance of the law is no excuse, fits in here very well. The forest fire laws have been in the newspapers, on the radio and on television and are on some posters, and there should be no excuse for not knowing a permit is required for all outdoor burning. In this year's report we are going to quote the law of the State of New Hampshire in regards to permits, this is found in Chapter 233 - Section 35 revised laws, State of New Hampshire.

Permits

35b No person, firm or corporation shall kindle or cause to be kindled any fire or shall burn or cause to be burned any material, and no city or town shall kindle or maintain a fire or a public dump in or near woodlands, pasture, brush, sprout, waste, or cutover land or where fire may be communicated to such lands, except when the ground is covered with snow, without first obtaining a written permit from the forest fire warden of the town where the burning is to be done unless the same is in the presence of the warden or his agent.

Liability for fires without permit.

36 Any person causing or kindling a fire without permit of the forest fire warden when such permit is required and any person by whose negligence or the negligence of his agents any fire shall be caused, shall be liable in a civil action for the payment to the town or the state or both, of the expenses incurred by the forest fire warden or his deputy warden in attending or extinguishing such fire.

Penalties

38 Any person violating any provisions of section 35 shall be fined not more than two hundred dollars or imprisoned not more than sixty days.

ABBIE F. TUTTLE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

During the school year 1957-58 the teachers in the Sanbornville Schools were:— Miss Abbie F. Tuttle, grades 1 and 2; Mrs. Leda Knapp, grade 3; Mrs. Margaret Doe, grade 4, Mrs. Evelyn Sands, grades 5 and 6; Mr. John Sapp, grades 7 and 8. In the Union School were:—Mrs. Helen Abbott, grades 5 to 8; and Mrs. Blanche Wentworth, grades 1 to 4. In the East Wakefield School was Mrs. Edith Horne, grades 1 to 8. Mrs. Wentworth resigned in the spring term and was succeeded by Mrs. Violet Hobbs.

Miss Tuttle retired at the end of the school year, thus bringing to a close many years of dedicated, efficient and highly professional service to the children of Sanbornville.

Miss Tuttle was succeeded in the Paul School by Mrs. Maxine Chadbourne, who attended Gorham Teachers' College, and had taught one year in New Jersey. Mrs. Doe was succeeded by Mrs. Constance Edwards, who is a graduate of Smith College, and taught one year in the Northfield School. Mr. Sapp was succeeded by Mr. Raymond Edwards, a graduate of the University of New Hampshire. Mrs. Hobbs, a graduate of Plymouth Teachers' College, continues in the primary room in Union. Mrs. Helen Abbott resigned at the close of the year to accept another teaching position. She was succeeded by Mrs. Martha Phillips. Mrs. Phillips is a graduate of the University of New Hampshire, and has taught several years.

Mrs. Sands, Mrs. Phillips, and Mr. Edwards com-

pleted a course in Teaching Social Science, given in Exeter, during the first half of the year. Mrs. Sands is taking another course in Exeter during the last half year. Mrs. Phillips, Mrs. Horne, Mrs. Chadbourne, and Mr. Edwards are now enrolled in a course in Language Arts given in Alton. Your teachers are making great effort to improve their professional training. Wakefield is fortunate to have such a competent staff.

The Wakefield Schools had a total enrollment of 204 with an average membership of 195.1. The schools opened in September of the current year with an enrollment of 209. Of this number 10 are from Brookfield. The estimated enrollment for 1959-60 is about 224 including 14 from Brookfield.

High School pupils from Wakefield were enrolled as follows:

High School	No. of pupils	Average Membership	Tuition Rate
Brewster Academy	2	1.5	$295.00
Kennebunk High School	1	1.0	347.80
Nute High School	23	21.1	285.00
Spaulding High School	30	28.5	285.00
Totals	56	52.1	

High School Enrollment in September 1958 was:

High School	No. of pupils	Tuition Rate
Brewster Academy	5	$325.00
Kennebunk High School	1	347.80
Nute High School	22	290.00
Spaulding High School	30	294.50
Total	58	

Announced tuition rates for 1959-60 are:

Brewster Academy	$360.00
Nute High School	350.00
Spaulding High School	351.50

Of those enrolled 11 are seniors. There are 13 pupils in the eighth grade which will make a possible high school enrollment of 60 pupils.

The school health service continued under the competent direction of Mrs. Rebecca Sanborn, R. N. Wakefield is a member of a School Nursing Union made up of four school districts, whose schools are served by Mrs. Sanborn. Our school nurse is compiling a complete medical history of all pupils which will be kept on file and transferred with all other records as pupils move to other school districts or to high school. The school nurse's report appears elsewhere in this volume.

The problem of providing adequate classroom space in the Sanbornville Schools is serious. In this current year the number of pupils in the Paul School reached as high as 38. The prospective enrollment in the room for next year is approximately 32 not including pupils from Brookfield. Children in these grades require constant supervision, and a degree of individual attention that is impossible to give them under these conditions. This is a situaton that should be remedied at the earliest possible date. The rooms in the primary building are filled to normal capacity, and one of them beyond that. The present fifth grade in Sanbornville has 26 pupils and is too large to be combined with another grade. The combined enrollment of grades 7 and 8 next year, including 4 Brookfield pupils will be 36. These large classroom

enrollments not only handicap the pupils but cause a teaching load that is much too heavy. These are problems that deserve the thoughtful consideration of every citizen.

The cooperation of the school board, teachers, and citizens is gratefully acknowledged.

Respectfully submitted,
EVERETT H. BRASIER
